DeGroot takes pride in being a community with a shared vision of generosity, kindness, and compassion. We recognize that you are facing pressures and with this small gesture, we stand by our values as a business school. We are always here for our students before, during and after their time with us.

International Applicant – Final Round	April 5, 2022 (Deadline Extended)
Domestic Applicant – Final Round	June 1, 2022

We use numerous indicators to determine which students are likely to succeed in our program. GMAT – while important – is only one indicator. For this recruitment cycle only, we will offer **GMAT waivers** to selected individuals on a case-by-case basis. **Please note: A GMAT waiver does not guarantee admission to the program.**

GMAT waivers will be granted to selected applicants by the Associate Dean, in consultation with the Program Director. Waivers will be assessed using the following criteria and all decisions are final:

GPA of B+ (9 on a 12-point scale, 3.0 on a 4.0 scale on the final two years of study)

To apply for a waiver, for applicants who believe they meet the minimum GPA requirement, send your post-secondary transcript(s) to mbainfo@mcmaster.ca for a pre-assessment, using the subject line “Request for GMAT Waiver Pre-assessment”.

Please ensure you submit all undergraduate and graduate program transcripts. If you are eligible for a waiver, you will be sent documentation from our team advising how to apply the waiver on our application portal.

If you are provided with a waiver, all candidates will be required to attend a *Quantitative Bootcamp* course to be delivered prior the program starting in September. Further details on this course will be provided closer to September.

If you do not qualify for a GMAT waiver – DeGroot still wants to support you!

For this year only, you will still be required to write the GMAT and submit upon our application deadline. However, if you receive (and accept) an offer of admission to our MBA Program, for September 2022, you will be provided with a \$300 CAD credit in your student account in late July/early August. To obtain this credit you must also start classes with DeGroot beginning in September.
